# INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

To the County Commission and Officeholders of Howell County, Missouri

We have audited the accompanying special-purpose financial statements of various funds of Howell County, Missouri, as of and for the years ended December 31, 2002 and 2001, as identified in the table of contents. These special-purpose financial statements are the responsibility of the county's management. Our responsibility is to express an opinion on these special-purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the special-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the special-purpose financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying special-purpose financial statements were prepared for the purpose of presenting the receipts, disbursements, and changes in cash of various funds of Howell County, Missouri, and comparisons of such information with the corresponding budgeted information for various funds of the county and are not intended to be a complete presentation of the financial position and results of operations of those funds or of Howell County, Missouri.

In our opinion, the special-purpose financial statements referred to in the first paragraph present fairly, in all material respects, the receipts, disbursements, and changes in cash of various funds of Howell County, Missouri, and comparisons of such information with the corresponding budgeted information for various funds of the county as of and for the years ended December 31, 2002 and 2001, in conformity with the comprehensive basis of accounting discussed in Note 1, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we also have issued our report dated May 9, 2003, on our consideration of the county's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget (OMB) Circular A-133,

Audits of States, Local Government, and Non-Profit Organizations, and is not a required part of the special-purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the special-purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the special-purpose financial statements taken as a whole.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the County Commission and Officeholders of Howell County, Missouri

We have audited the special-purpose financial statements of various funds of Howell County, Missouri, as of and for the years ended December 21, 2002 and 2001, and have issued our report thereon dated May 9, 2003. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

## Compliance

As part of obtaining reasonable assurance about whether the special-purpose financial statements of various funds of Howell County, Missouri, are free of material misstatement, we performed tests of the county's compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted certain immaterial instances of noncompliance which are described in the accompanying Management Advisory Report.

## Internal Control Over Financial Reporting

In planning and performing our audit of the special-purpose financial statements of various funds of Howell County, Missouri, we considered the county's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the special-purpose financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not

necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the special-purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting which are described in the accompanying Management Advisory Report.

This report is intended for the information and use of the management of Howell County, Missouri; federal awarding agencies and pass-through entities; and other applicable government officials. However, pursuant to Section 29.270, RSMo 2000, this report is a matter of public record and its distribution is not limited.

## HOWELL COUNTY, MISSOURI NOTES TO THE FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2002, AND 2001

## 1. Summary of Significant Accounting Policies

## A. Reporting Entity and Basis of Presentation

The accompanying special-purpose financial statements present the receipts, disbursements, and changes in cash of various funds of Howell County, Missouri, and comparisons of such information with the corresponding budgeted information for various funds of the county. The funds presented are established under statutory or administrative authority, and their operations are under the control of the County Commission, an elected county official, or the Senate Bill 40 Board. The General Revenue Fund is the county's operating fund, accounting for all financial resources except those required to be accounted for in another fund. The other funds presented account for financial resources whose use is restricted for specified purposes.

## B. Basis of Accounting

The financial statements are prepared on the cash receipts and cash disbursements basis of accounting; accordingly, amounts are recognized when received or disbursed in cash. This basis of accounting differs from accounting principles generally accepted in the United States of America, which require revenues to be recognized when they become available and measurable or when they are earned and expenditures or expenses to be recognized when the related liabilities are incurred.

## C. Budgets and Budgetary Practices

The County Commission and other applicable boards are responsible for the preparation and approval of budgets for various county funds in accordance with Sections 50.525 through 50.745, RSMo 2000, the county budget law. These budgets are adopted on the cash basis of accounting.

Although adoption of a formal budget is required by law, the county did not adopt formal budgets for the following funds:

Fund Year Ended December 31,

Circuit Clerk Interest Fund 2001

Associate Circuit Division Interest Fund 2001

Law Library Fund 2001

Warrants issued were in excess of budgeted amounts for the following funds:

Fund Year Ended December 31, Law Library Fund 2002

## HOWELL COUNTY, MISSOURI NOTES TO THE FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2002, AND 2001

## 1. Summary of Significant Accounting Policies - Continued

#### D. Published Financial Statements

Under Sections 50.800 and 50.810, RSMo 2000, the County Commission is responsible for preparing and publishing in a local newspaper a detailed annual financial statement for the county. The financial statement is required to show receipts or revenues, disbursements or expenditures, and beginning and ending balances for each fund. Financial statements were published as required.

#### 2. Cash

Section 110.270, RSMo 2000, based on Article IV, Section 15, Missouri Constitution, authorizes counties to place their funds, either outright or by repurchase agreement, in U.S. Treasury and agency obligations. In addition, Section 30.950, RSMo 2000, requires political subdivisions with authority to invest in instruments other than depositary accounts at financial institutions to adopt a written investment policy. Among other things, the policy is to commit a political subdivision to the principles of safety, liquidity, and yield (in that order) when managing public funds and to prohibit purchase of derivatives (either directly or through repurchase agreements), use of leveraging (through either reverse repurchase agreements or other methods), and use of public funds for speculation. The county had not adopted such a policy as of December 31, 2002. However, during 2003 a policy has been written for the approval of the County Commission.

In accordance with Statement No. 3 of the Governmental Accounting Standards Board, *Deposits with Financial Institutions, Investments (Including Repurchase Agreements), and Reverse Repurchase Agreements,* disclosures are provided below regarding the risk of potential loss of cash deposits. For the purposes of these disclosures, deposits with financial institutions are demand, time, and savings accounts, including certificates of deposit and negotiable order of withdrawal accounts, in banks, savings institutions, and credit unions.

The county's and the Senate Bill 40 Board's deposits at December 31, 2002 and 2001were entirely covered by federal depositary insurance, collateral securities held by the county's custodial bank in the county's name, or by an irrevocable standby letter of credit issued by a Federal Home Loan Bank.

However, for the period August 19, 2001 through July 19, 2002 one certificate of deposit was under pledged by \$1,691.40.

To protect the safety of county deposits, Section 110.020, RSMo 2000, requires depositaries to pledge collateral securities to secure county deposits not insured by the Federal Deposit Insurance Corporation.

## HOWELL COUNTY, MISSOURI NOTES TO SUPPLEMENTARY SCHEDULE YEARS ENDED DECEMBER 31, 2002, AND 2001

## 1. Summary of Significant Accounting Policies

## A. Purpose of Schedule and Reporting Entity

The Accompanying Schedule of Expenditures of Federal Awards has been prepared to comply with the requirements of OMB Circular A-133. This circular requires a schedule that provides total federal awards expended for each federal program and the Catalog of Federal Domestic Assistance (CFDA) number or other identifying number when the CFDA information is not available.

The schedule includes all federal awards administered by Howell County, Missouri, except for the programs accounted for in the Howell County Public Housing Agency Fund. Federal awards for that fund have been audited and separately reported on by other independent auditors for its years ended June 30, 2002 and 2001.

#### B. Basis of Presentation

OMB Circular A-133 includes these definitions, which govern the contents of the schedule:

Federal financial assistance - means assistance that nonfederal entities receive or administer in the form of grants, loans, loan guarantees, property (including donated surplus property), cooperative agreements, interest subsidies, insurance, food commodities, direct appropriations, and other assistance, but does not include amounts received as reimbursement for services rendered to individuals.

Federal award - means federal financial assistance and federal costreimbursement contracts that nonfederal entities receive directly from federal awarding agencies or indirectly from pass-through entities. It does not include procurement contracts, under grants or contracts, used to buy goods or services from vendors.

Accordingly, the schedule includes expenditures of both cash and noncash awards.

## C. Basis of Accounting

Except as noted below, the schedule is presented on the cash receipts and cash disbursements method of accounting, which recognized amounts only when disbursed in cash.

Amounts for the Equitable Sharing of Seized and Forfeited Property Program, CFDA number 16.000 represents the county's share of seized monies or property.

## HOWELL COUNTY, MISSOURI NOTES TO SUPPLEMENTARY SCHEDULE YEARS ENDED DECEMBER 31, 2002, AND 2001

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the County Commission and Officeholders of Howell County, Missouri

#### Compliance

We have audited the compliance of Howell County, Missouri, with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the years ended December 31, 2002 and 2001. The county's major programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the county's management. Our responsibility is to express an opinion on the county's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the county's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the county's compliance with those requirements.

In our opinion, Howell County, Missouri, complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the years ended December 31, 2002 and 2001. However, the results of our auditing procedures disclosed an instance of noncompliance with those requirements, which is required to be reported in accordance with OMB Circular A-133 and which is described in the accompanying Schedule of Findings and Questioned Costs as finding number 02-1.

## Internal Control Over Compliance

The management of Howell County, Missouri, is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the county's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on the internal control over compliance in accordance with OMB Circular A-133.

We noted a certain matter involving the internal control over compliance and its operation that we consider to be a reportable condition. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over compliance that, in our judgment, could adversely affect the county's ability to administer a major federal program in accordance with the applicable requirements of laws, regulations, contracts, and grants. The reportable condition is described in the accompanying Schedule of Findings and Questioned Costs as finding number 02-1.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with the applicable requirements of laws, regulations, contracts, and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we do not believe that the reportable condition described above is a material weakness.

This report is intended for the information and use of the management of Howell County, Missouri; federal awarding agencies and pass-through entities; and other applicable government officials. However, pursuant to Section 29.270, RSMo 2000, this report is a matter of public record and its distribution is not limited.

Section .310(b) of Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations,* requires the auditee to prepare a schedule of expenditures of federal awards (SEFA) for the period covered by the auditee's financial statements. The county is required to submit the schedule of expenditures of federal awards to the State Auditor's Office as a part of the annual budget.

The county does not have procedures in place to track federal awards for preparation of the SEFA. For the years ended December 31, 2002 and 2001, the county's SEFA contained numerous errors and omissions for programs listed above. For example, expenditures relating to several federal grants were not included on the schedules. Other programs reported did not include the required pass-through grantor's number or the Catalog of Federal Domestic Assistance (CFDA) number. In addition, some programs were reported incorrectly, and in total, expenditures were understated by \$62,611.41 and \$146,848.21 for 2002 and 2001, respectively.

Without an accurate SEFA, federal financial activity may not be audited and reported in accordance with federal audit requirements which could result in future reductions of federal funds.

**WE RECOMMEND** the County Clerk prepare a complete and accurate schedule of expenditures of federal awards.

## **AUDITEE'S RESPONSE AND PLAN FOR CORRECTIVE ACTION**

Procedures are being implemented between the various county offices to address this recommendation.

## HOWELL COUNTY, MISSOURI FOLLOW-UP ON PRIOR AUDIT FINDINGS FOR AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Howell County's audit report issued for the two years ended December 31, 2000, included no audit findings that *Government Auditing Standards* requires to be reported for an audit of financial statements.

## HOWELL COUNTY, MISSOURI SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS IN ACCORDANCE WITH OMB CIRCULAR A-133

Section .315 of OMB Circular A-133 requires the auditee to prepare a Summary Schedule of Prior Audit Findings to report the status of all findings that are relative to federal awards and included in the prior audit report's Schedule of Findings and Questioned Costs. The summary schedule also must include findings reported in the prior audit's Summary Schedule of Prior Audit Findings, except those listed as corrected, no longer valid, or not warranting further action.

Section .500(e) of OMB Circular A-133 requires the auditor to follow up on these prior audit findings; to perform procedures to assess the reasonableness of the Summary Schedule of Prior Audit Findings; and to report, as a current year finding, when the auditor concludes that the schedule materially misrepresents the status of any prior findings.

Howell County's prior audit report issued for the two years ended December 31, 2000, included a finding that was required to be reported under Section .510(a) of OMB Circular A-133 regarding the inadequacy of procedures used to accumulate data and prepare the required Schedule of Expenditures of Federal Awards. ## HOWELL COUNTY, MISSOURI MANAGEMENT ADVISORY REPORT - AUDITOR'S FINDINGS

We have audited the special-purpose financial statements of various funds of Howell County, Missouri, as of and for the years ended December 31, 2002 and 2001, and have issued our report thereon dated May 9, 2003. We also have audited the compliance of Howell County, Missouri, with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the years ended December 31, 2002 and 2001, and have issued our report thereon dated May 9, 2003.

Our audit was conducted in accordance with applicable standards contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and included such procedures as we considered necessary in the circumstances. In this regard, we reviewed accounting and bank records and other pertinent documents and interviewed various personnel of the county.

Because the Howell County Public Housing Agency is audited and separately reported on by other independent auditors, the related fund is not presented in the special-purpose financial statements. However, we reviewed that audit report and other applicable information.

Our audit was limited to the specific matters described in the preceding paragraphs and was based on selective tests and procedures considered appropriate in the circumstances. Had we performed additional procedures, other information might have come to our attention that would have been included in this report.

The accompanying Management Advisory Report presents our findings arising from our audit of the special-purpose financial statements referred to above. In addition, this report includes findings other than those, if any, reported in the accompanying Schedule of Findings and Questioned Costs. These findings resulted from our audit of the special-purpose financial statements of Howell County but do not meet the criteria for inclusion in the written report on compliance and on internal control over financial reporting that is required for an audit performed in accordance with *Government Auditing Standards*.

## 1. Budgetary Practices

A. Budgets were not prepared for various county funds for the year ended December 31, 2001.

Chapter 50, RSMo 2000, requires the preparation of annual budgets for all funds to present a complete financial plan for the ensuing year. By preparing or obtaining budgets for all county funds and activities, the County Commission is able to more effectively evaluate all county financial resources.

B. Actual disbursements exceeded the budgeted amounts in various funds as follows:

Law Library Fund

December 31, 2002

It was ruled in State ex rel. Strong v. Cribb, 364 Mo. 1122, 273 SW2d 246(1954), that county officials are required to strictly comply with the county budget laws. If there are valid reasons which necessitate excess disbursements, budget amendments should be made following the same process by which the annual budget is approved, including holding public hearings and filing the amended budget with the State Auditor's office. In addition, Section 50.622, RSMo 2000, provides that counties may amend the annual budget during any year in which the county receives additional funds which could not be estimated when the budget was adopted and that the county shall follow the same procedures required for adoption of the annual budget to amend its budget.

## **WE RECOMMEND** the County:

- A. Ensure financial information for all county funds is included in the annual budgets.
- B. Refrain from authorizing disbursements in excess of budgeted amounts. If valid reasons necessitate excess disbursements the original budget should be formally amended and filed with the State Auditor's office.

## **AUDITEE'S RESPONSE**

The offices identified will be reminded of these recommendations.

## 2. Collateral Securities

The county has not established procedures to monitor collateral securities required on certificates of deposit. The county does not "book" interest earned and added to certificates until a check is actually received. Therefore, there was one instance for the period August 19, 2001 through July 19, 2002 where one certificate of deposit was under pledged by \$1,691.40.

Section 110.020, RSMo 2000, requires that the value of securities pledged shall at all times be not less than 100 percent of the actual amount on deposit less the amount insured by the FDIC. Inadequate collateral securities leave the county funds unsecured and subject to loss in the event of a bank failure.

In addition, the Senate Bill 40 Board has not entered into a written depositary agreement with their depositary banks. A depositary contract is necessary to ensure both the bank and the county or county board understand and comply with the agreement. Such a contract may cover issues such as costs of checking accounts and safe deposit boxes, interest charges for borrowed funds, interest to be paid on certificate of deposit, savings accounts and interest bearing checking accounts, and should include collateral securities required to be pledged. Ad addition, Section 110.130, RSMo 2000, requires the Senate Bill 40 Board to enter into agreements with the bank or banks selected as the depositary during the May term in each odd-numbered year.

## **WE RECOMMEND** the County Commission:

A. Establish monitoring procedures to ensure depositary banks pledge adequate collateral securities at all times. In addition, the Senate Bill 40 Board should enter into written depositary agreements with all depositary banks, as required by state law.

## **AUDITEE'S RESPONSE**

The county has implemented procedures to insure adequate pledged securities at all times and have a Collateral Pledge Agreement in place. The Senate Bill 40 Board will obtain agreements as required and implement procedures to assure adequate pledged securities as needed.
